MEMORANDUM FOR THE RECORD

SUBJECT: Counterterrorism Briefing for the SSCI, 12 June 1986

1. In the counterterrorism briefing scheduled for Thursday, 12 June, the SSCI would like to get a better understanding of the system for disseminating threat information and the NIO's comment on its effectiveness. The briefing will be held in 219 Hart Building at 1600 hours. It can be held at the Top Secret/Codeword level and should take 30-40 minutes. SSCI Committee members will probably not attend; an exception could be Senator Bradley who is interested in intelligence-related matters. Steve Ockenden, head of the SSCI Production Oversight, is a point of contact for the briefing (224-1732).
